Local Community Support Application Form

Coles is at the heart of local communities around Australia. We're committed to supporting local charities, groups and organisations that contribute positively to health, education and the environment.

How can we help?

We can:

- donate gift cards to support local events and fundraising efforts
- volunteer to assist with events and fundraising
- host store tours
- provide space at the front of our store to run your own fundraising activity—note this is not possible at all stores, so check with the Store Manager before filling in this form

How do you apply?

1. Complete this application form.
2. Submit it to your local Coles Store Manager.

Note: If you are submitting a fundraising request and your group is licenced to fundraise, then please attach a written authority to fundraise. If your group is exempt, then this is not required.
